

Accepted English Language Tests

for Admission to the Hydro Science and Engineering (HSE) Program

Applicants must demonstrate a high level of English language proficiency (minimum C1 level, according to the Common European Framework of Reference for Languages – CEFR) by providing proof of one of the following examinations:

Test	Minimum Requirement (C1 Level)
IELTS ¹	Overall band score: 8.0, 7.5, 7.0
TOEFL	TOEFL iBT (114-95) TOEFL ITP Level 1 (677-627)
Cambridge English Language Assessment ¹	Certificate of Advanced English + Grade B or C (CAE) Cambridge First Certificate English + Grade A (FCE) Cambridge English: Business Higher (BEC Higher)
Pearson PTE Academic	Score range: 84 - 76
TOEIC ²	Listening & Reading: 945 – 990 Speaking: 200 – 180 Writing: 200 - 180
telc	telc C1 Certificate
UNicert	UNicert III
IGCSE ³	First language with minimum C1 level

* Only valid and officially recognized test results will be considered.

¹ If both a test score and a CEFR level are provided, the CEFR level will be considered decisive.

² All four modules must be completed (where applicable, as a combined module).

³ The required level must be achieved in all components.
