 - ATTENTION - if you do NOT select the second tab, you will not be able to register for exams.
 - You can only register for exams if you have previously registered for the corresponding module!
3. In the middle area of the web window, select the exam you want to take
 - ATTENTION: the registration button appears only if registration is possible. Outside the registration periods this button is NOT available

Exam results:

1. Under the "Exams" tab and the following
2. "Results" tab, you can view all your exam and module results
3. Under "Exam results", you can view the exam (pre-) performance results you have achieved in the respective semester.
4. Under "Semester Results", you can view the module exam results sorted by semester.
5. Under "Study results" you can view the total results of your enrolled study program.
 - Each module that has been started at least gets a hyperlink, which then leads you to the individual exam (pre)results

Our Expectations

Use your TU-Dresden email account for each contact to a member of the university!

Why?

Emails from gmail.* etc. may not reach the intended post-box and can be stored in a spam folder or be blocked. It is unlikely, that you will receive an answer.

When writing an email, start with your full name, study program and matriculation number followed by a brief content (avoid overloaded background stories).

Why?

Save your and our time! This enables direct assignments and faster response in line with your request.

Punctuality is expected anywhere.

Why?

We reserve defined times slots for you. Being late shortens your time slot und can disturb the flow of everyone. Punctuality is a sign of politeness and will be respected by your future employers.

Some things you don't learn in college, but only in life

- **Acquire own working methods**

- How do I **manage my time**?
- How do I **structure my semester** so that I can still “breathe” during the exam period?
- How do I acquire the necessary **MS Office skills** so that I can write good term papers and theses?
- How do I **file documents** and find them again later?
- How do I use and link my **email accounts**? How do I use a digital calendar?
- What do I need to keep in mind when **writing letters/emails** to internship companies, supervisors or professors?
- ...

Some things you don't learn in college, but only in life

- **Social commitment**

in committees, associations or interest groups

(FSR, "Listige Vereinigungen", Spätverkehr, politics, sport clubs, [TU Dresden University Sport Center](#),...)

- **Get to know the professional world**

Internship, student assistant, interest group

Summary

- Study requires a lot of independence, but is fun!
- If you have problems, get help in time!
- Network with each other! 

Have fun & good luck
in your studies!
