

Application – within the framework of the SMWK's special inclusion funds 2026

Please note the information on the call for proposals at [Call for proposals as part of the special funds for inclusion of the SMWK 2026](#) . Please note that incomplete applications cannot be processed. There is no entitlement to funding.

The application must be submitted by **Wednesday, November 12, 2025 (end of business)** at the latest in electronic form by email to:

Unit Diversity Management
diversity.management@tu-dresden.de

1. Applicant

Family Name	
First name	
Title	
Organizational Unit	
Email	
Telephone	
Cost Center number	

2. Title of your project

Please provide a concise description of the project that clearly states its objective or contribution to inclusion and its target group.

--

If possible, please provide a short title (max. 20 characters)

--

3. Planned time and duration of your project

The measure must be completed and paid for by the end of the year. Please specify the start and end dates, or the date/period of implementation to date.

--

4. Cost estimate – requirements from Special Inclusion funds 2026

Material costs in €	
Personnel costs in €	

Cost estimate details

Please explain the composition of the requested material or human resources (e.g., type of expenditure, period or duration of the measure, individual costs and total amount, purpose of the expenditure in the context of the measure).

5. Subject of your project – Please summarize what specifically is to be implemented.

6. Goals and target groups of your project

Please briefly describe the objective of your project, what specific barriers it removes for people with disabilities or chronic illnesses, how it improves their participation, and which direct target group benefits from it.

7. Planned schedule and timeline of your project

Please describe the most important implementation steps of your project in chronological order. In particular, please indicate whether, for example, quotations need to be obtained or are already available, when implementation will begin or has begun, how long individual steps are expected to take, and when the measure will be completed and the funds will have been spent.

8. Please assign your project to one of the areas of activity in the TUD Action Plan 2.0 for the implementation of the UN CRPD

- ☐ Structural and digital accessibility
- ☐ Employment
- ☐ Quality management
- ☐ Teaching and research
- ☐ Studies
- ☐ Awareness and communication

8.2 Classification of your project in the Action Plan 2.0 of the TU Dresden on the implementation of the Convention on the Rights of Persons with Disabilities.

Please explain which measure of objective from the [Action Plan 2.0 of the TU Dresden for Implementing the UN CRPD](#) your project specifically supports. Refer to the field of action to which you assign your project in the following question.

9. Ensuring the sustainability of your project

Please explain how the impact of your project will be sustained beyond the funding period. In particular, please explain whether your project will result in permanently usable acquisitions, infrastructural improvements, or organizational structures that will contribute to accessibility and inclusion at TU Dresden in the long term.

10. Additional information that could be relevant to the decision on funding.

11. Consent to privacy policy and signature

The privacy policy can be found on the Website of the [Call for proposals as part of the special funds for inclusion of the SMWK 2026](#)

☐

I hereby confirm that I have read and understood the privacy policy and voluntarily consent to the processing of my personal data as described therein under these conditions.
